GIFT SHOP & MUSEUM

Vice President, Lew Matis and volunteer, Marie Richmond have taken on the task of museum accessioning. So far they have cleaned out and organized the accessions room and have cleaned exhibit areas inside the museum and made new labels for many exhibits. Lew & Marie are now working to update accession records and refine a process for ongoing collection management that will satisfy the mission statement of the Society.

Our volunteers are working hard to keep the museum open during the summer months. Though tourism is down slightly we have seen sales increase in the last two months. Monies which will assist with the Society's overhead during the winter months. Thank you volunteers for making this possible.
